Dear ETSD Families,

Highlights: Daily Attestation Reminder; Helping One of Our Own; Vacc Clinic this Sunday at Rice, 9 am - 1 pm, and Van Zant, 2 pm - 6 pm; Community Activities/Boy Scouts.

Daily Attestation Reminder

As cases rise within our region, a friendly reminder to please continue monitoring your children for symptoms and temperature. This [2021-22 ETSD Student Health Assurance Form](#) each family completed in August as a Genesis Back to School form lists the symptoms. Please keep your child home if he/she is exhibiting symptoms or feels sick.

Helping One of Our Own

I'd like to loop you in on a support campaign going on now for Toby Mizrachi, a brave 5th grader in our district, who began treatment this week for B Cell Non-Hodgkin's Lymphoma. This webpage provides more information, including how to help/donate. Funds raised will help assist the Mizrachi family with medical and other costs associated with Toby's treatment.

Community Activities/Boy Scouts

https://www.evesham.k12.nj.us/community/community_activities

I am passing on this message from an ETSD parent I met recently who is involved with Boy Scout Troop 49. Special thanks to the Boy Scouts for supporting our school district by advertising on our school buses. "This Troop has weekly meetings and we camp one weekend each month, even through the winter, when we move into cabins. On our campouts, the Scouts work together to cook their own meals and learn about food safety in the outdoors, hike, practice and teach outdoor skills, and run around together **without electronic distractions**. In addition, we currently participate in community support activities (Scouting for Food, a planned project at Freedom Barks dog park in Medford, several roadside cleanups, etc.). Scouts BSA Troop 49 is open to boys and girls ages 11-17 and meets on Monday evenings at 7pm at St. Joan of Arc church. For more information or to see our calendar, visit our webpage at www.MarltonScouting.com or email us at MarltonScouting@gmail.com."

Friendly reminders from prior Updates:
