Weather-Related Info for Parents

As next week's current forecast shows a chance of snow, I want to make sure we all have this information about weather-related school closures, delayed openings, and emergency early dismissal (very rare). [Weather-Related Information for ETSD Parents, 2021-22](#). Any change due to weather will be communicated via email and phone with all families in as timely a manner as possible.

Close Contact Quarantine Length Now 14 Days

Until further notice, districts (ETSD too) in our region have to use a 14 day quarantine for close contacts, with no chance to test negative and return to school earlier. This change is because our region is back in "orange" per yesterday's [12.2.21 NJ Activity Level Report](#). Page 12 of this [NJ Dept. of Health Recommendations for K12 Schools](#) document shows a chart of quarantine criteria by regional status. Fully vaccinated persons who have close contact with someone with COVID-19 do NOT need to be excluded from school if they are not showing symptoms.

Tune in and Vote for Cherokee's Choir this Monday in the B101 Christmas Song Competition

Tune in Monday, Dec. 6 at 7 am to hear our amazing Cherokee Choir and then vote all day long from 7 am to 9 pm! This link lists the Cherokee choir as one of three semi-finalists this Monday.
