Dear ETSD Staff and Families,

Highlights: Security Drill Notification; All-In Disabilities Awareness Night rescheduled indoors for May 9; No Bring Your Child to Work Day this year; Community Activities...many recent additions!; New Township mobile app; Friendly reminders from prior Updates.

Security Drill Notification

Schools are required to provide written notification to parents each time a school security drill (not fire drill) is conducted, as a result of a new state law. The email notification will read: "A school security drill was conducted today." Our schools have been conducting monthly security drills for years. We ensure the drills are conducted efficiently and in a developmentally appropriate manner. Students are informed at the conclusion of the security drills that the exercise was a drill and not a real emergency.

All-In Disabilities Awareness Night 5.9.22 rescheduled indoors for May 9

Due to being rained out twice, this event has been rescheduled to an indoor location, the Marlton Field House, 785 E. Main St., 5:30 pm - 7:30 pm on the new date of May 9. Our goal is to promote awareness and foster an inclusive environment, supporting all individuals to meet their potential as valued members of our community. The amazing poster contest submissions will be on display as well. Many thanks to the Evesham Police Department and other first responders for collaborating with us on this event!

No Bring Your Child to Work Day this year

Our district will not be doing Bring Your Child to Work Day this year (traditionally in April), due to the ongoing pandemic.

Community Activities...many recent additions!
