Thank you Firefighter Bob!

## Help improve walking and biking safety

The Delaware Valley Regional Planning Commission (DVRPC) is conducting a Downtown Bike and Pedestrian study for Burlington County in Marlton, Maple Shade, and Mansfield/Columbus. The Commission is interested in understanding where people walk and bike—and where they avoid walking and biking. Feedback provided by residents will be used to evaluate existing pedestrian and bicycle facilities in the downtown areas of Burlington County. Study deadline = Nov. 30th. For more information about the study and to submit your feedback, visit the [study webpage](#). Study link:
